Claim Promptly Paid. W. J. SHAFER, Agt. of the Aetna Life Ins. Co., Brookville, Pa.

DEAR SIR:—I wish to extend to you my sincere thanks for the prompt payment of claim under Policy of Life Insurance held by my late husband, Franklin Pierce Breneman, in the Aetna Life Insurance Company, of Hartford, Conn., for one thousand (\$1,000) dollars on the twenty payment life plan. Only \$17.37, the first semi-annual payment had been made on this policy when it became a claim. The policy was destroyed by fire the day after my husband was buried, but this did not invalidate the claim, as you, the representative of the company, went right ahead and fixed up the necessary papers for payment of this claim.

I further wish to thank you as well as the company for the prompt and courteous manner in which the claim was adjusted.

Yours very truly,
MRS. F. P. BRANEMAN.

Four Persons Burned To Death.

A terrible calamity befell the family of John Eshbaugh, who resides near Shannondale, in Red Bank township, Clarion county, on Friday morning of last week. Mr. Eshbaugh got up about three o'clock in the morning and made a fire in the cook stove, going back to bed again. About an hour later he awoke and found the house on fire, the flames having gained considerable headway. Besides himself, his wife, his brother, and six children were sleeping up stairs. He tried to awaken them and got them out of the building, but with only partial success, as the house burned so rapidly. Mrs. Eshbaugh escaped through a window, with two small children, and one about seven or eight years of age, the latter seriously burned. Mrs. Eshbaugh in jumping from the window, through which she escaped, broke one of her legs above the ankle.

Mr. Eshbaugh's brother, aged about 25 years, and three children, aged nine, ten and twelve years, perished in the building, it being impossible to rescue them. Everything in the house was burned, including all the clothing of the family. The condition of the rescued ones was pitiable, exposed as they were to the extreme cold. Mr. Eshbaugh tried to keep them warm by piling

hay and straw about them, and covering them with grain sacks. It was some time before help could be secured, as the nearest neighbor was a mile distant.

As soon as help arrived all the survivors were taken to a neighbor's house where they were properly cared for, and medical help sent for. It was the saddest accident that has ever happened in that neighborhood.—Brookville Democrat.

Lively College Boys in a Frolic.

Lyman H. Howe's moving picture entertainment this season is assuredly one of the most attractive of all its brilliant predecessors. Mr. Howe has spared no expense in securing some of the most attractive and marvellous products of the camera, both in this country and on the other side of the sea, presented in a manner that reveals the wonderful improvement that has overcome that trembling motion which tires the eyes. All the pictures are new. Among them being one showing a lot of frisky college boys, 75 or 100 of them, in an exciting paper chase, which is really the old game of "follow your leader." The boys leap from high places, tumble into all sorts of queer spots, jump into ponds and indulge in other exciting antics. It is an exceedingly interesting picture, and delights all who see it, especially the young people. The Howe pictures will be seen at Assembly hall on Thursday evening, January 16th.

Pants Almost Given Away.

Seventy-five dozen pairs of pants are now offered for sale at the Reynoldsville Woolen Mill for from 75 cents to \$1.50 per pair, which is less than half price for these goods. This offer will be open for 30 days and persons wanting a bargain should not miss this opportunity. The pants are guaranteed to be first-class winter pants.

Begins to-morrow. It is to be a month of direct and legitimate price reductions. There will be no fictitious flights of fancy. It's a sale for quick clearance purposes and we haven't stopped to figure losses. We've done a wonderful business and this sale is for our patrons. Of course such a volume of trade results in broken lots--odds and ends. This portion of the stock has been "knifed" vigorously. If you have a single need this store can supply, there'll never be a time until our next "Red Tag" Sale that will bring such splendid money-saving opportunities. Keep our claims in mind when you come. We fulfill them to the very letter. Come to-morrow; come as soon as you can. Watch for the colored tags and you'll be face to face with much the best bargains this town has ever known. We follow with figures to prove it.
